## Versatile, convenient and fast adhesive application

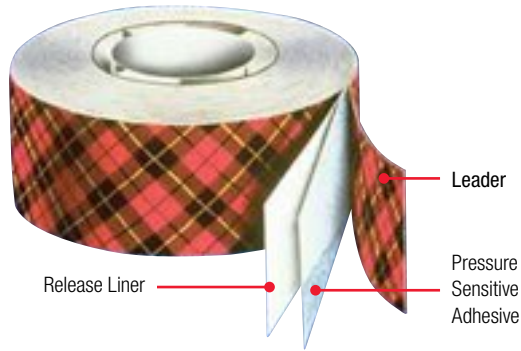

With Scotch® ATG Hand Dispenser 700 a touch of the finger triggers a quick, controlled application of Scotch® ATG Tape at the same time as the liner rewinds into the applicator. There is no mess and no cleanup. 3M advanced acrylic adhesive bonds on contact and is formulated with a choice of properties such as high temperature resistance, differential tack, adhesion to low surface energy plastic and more.

High performance Scotch® ATG Tape 926 bonds foam cushioning inside a portable power tool carrying case.

Scotch® ATG Tape 924 is ideal for core starting most paper stock.

To claim this offer, place 3M order codes on to your normal purchase order, quoting 'ZERO' dollars for the applicator.
