

3M™ Lexa™ Series

Features and Benefits:

Style

- + Choice of frame colours
- + Available in two lens sizes

Protection

- + High impact nylon frame
- + Durable polycarbonate lens
- + Unique aspheric lens follows facial outline to enhance protective coverage
- + Lens absorbs greater than 99% UV
- + DX™ anti-fog, hard coating for good resistance to fogging, chemical attack, scratching and static
- + AS/NZS1337.1 Medium Impact Rating

Comfort

- + Temples adjust to four different lengths for better fit
- + Lenses can adjust to three different angles for a customised fit
- + Adjustable nose bridge design is soft and pliable so wearers can shape it specifically for their noses

Packaging

- + 1 pair/bag, 10 bags/case
