3M™ Super 77 Multi-purpose Spray Adhesive – Sample Promotion

The only thing you need on hand for those fast-paced projects:

- High initial grab and aggressive tack – bonds in just 15 seconds
- Finger-touch targeted control for minimal overspray, waste & clean up
- Great spray pattern & low soak in for high coverage and strong bond

For your free sample - please email this form to: ctaylor@mmm.com

Terms and Conditions: Promotion is valid from 1 July to 30 September 2024 and is offered to **new end users** of 3M Spray Adhesives in Australia and New Zealand. Promotion is not available to 3M Authorised Distributors. To be eligible, participants must consent to being contacted by their local 3M Industrial Tapes and Adhesives Territory Manager to arrange delivery of samples. Restricted to one sample aerosol can per company location. Promotion cannot be applied to previous purchases or used in conjunction with any other offer, promotion, or special pricing. 3M reserves the right to verify the validity of all claims. This promotion is available while stocks last and subject to change at any time without notice.
